

# Come & Explore: Summer Bridge Program

Our Come and Explore Summer Camp, helping introduce youth at Yellowstone Academy to arts-based and integration programming in dance, music, theatre, and visual arts. High School Mentors will gain valuable leadership skills and experience while working alongside master teaching artists from Young Audiences of Houston. As a High School Mentor, you will have a direct hand in every aspect of the camp – developing your skills in planning the curriculum, managing day to day operations, engaging youth in creative activities, executing a final culminating event for participating youth and their families.
